

## Long list process Paris 2024

### *What is the long list?*

The Long list is the list of athlete names, given to the NZOC, by Cycling NZ who may have the potential to be selected for the Paris 2024 Olympics, and a list of staff names (employees and contractors) who may work on the ground in Paris 2024, either directly or indirectly with the Cycling NZ Paris 2024 team.

### *The long list dates are as follows:*

1. **26 June 2023**– Long list submitted to NZOC of riders who are not regular members of Cycling NZ and / or riders who are not in the regular testing pool.
2. **26 September 2023** – Long list submitted to NZOC of riders who are regular members of Cycling New Zealand and who are in the regular testing pool and inclusive of non-regular members.
3. **26 September 2023**– Long list of staff and potential support team submitted to NZOC.
4. Prior to **26 January 2024** – Final deadline for any additions (athlete and staff) to the long list. These will only be considered under exceptional circumstances and must be approved by the NZOC selection panel and the NZOC Board with evidence of medal potential in Paris 2024.

### *Inclusion on the long list:*

Those athletes identified for inclusion on the long list (automatic or otherwise), will be notified of their inclusion at the time the list is submitted to NZOC. Included in the notice will be the link to the Paris 2024 Nomination Policy and the Cycling Nomination Criteria for Paris documents. It is the responsibility of each athlete to comply with both documents.

### *Automatic inclusion to the long list:*

1. Riders who are current (at the deadline for long list submission) TAPs riders.
2. Current World championship medalists in Olympic disciplines.
3. Top 20 in individual UCI ranking (as of 26 June 2023) in Olympic disciplines.

### *Additional potential inclusions to the long list by discipline:*

#### Track:

- Track selection panel consider national track coaches feedback and additional relevant information for medal potential in LA 2028. This information is due by **16 June 2023**.

BMX:

- BMX selection panel considers additional relevant information for medal potential in LA 2028. This information is due by **16 June 2023**. BMX selection panel assesses other potential additions, based on 2028 potential by 16 June 2023.

MTB:

- MTB selection panel consider additional relevant information for medal potential in LA 2028. This information is due by **16 June 2023**. MTB selection panel assesses other potential additions, based on 2028 potential by **16 June 2023**.

Road:

- All athletes in world tour teams and/or Pro continental teams.
- Road selection panel consider additional relevant information for medal potential in LA 2028. This information is due by **16 June 2023**. Road selection panel assesses other potential additions, based on 2028 potential by **16 June 2023**.

Athletes submitted to the NZOC long list will have also demonstrated the potential to meet NZOC nomination criteria in 2024.
