The extensive High Performance Programme is run out of the *Avantidrome*, while Regional Hubs across both North and South Island support talented young riders in reaching their potential in the sport of cycling.

With a vision of ***“Inspiring New Zealanders to Ride”*** the two key outcomes the organisation seeks to achieve are:

- Increased medal success internationally and
- Growth and participation in membership

CNZ is seeking to appoint an Independent Director to the board for a four-year term. Please note that the incumbent is restanding and seeking another term.

Applicants should be skilled in one or more of the following areas:

- Business and commercial acumen
- Governance experience especially at a corporate or not for profit level.
- Legal counsel experience
- Good leadership skills coupled with clear communication abilities
- Clear understanding of stakeholder engagement

Applicants with specialist backgrounds/skillsets and experience from within a legal environment and who can provide legal counsel advice are strongly preferred. The ability to work with an extensive range of stakeholders and consider a wide range of issues including High Performance Sport, sponsorship and commercial partnerships, managing and influencing key relationships, health and safety, athlete wellbeing and the complexities of membership-based organisations are essential.
