## 1. WELCOME

---

On behalf of the Oceania Cycling Confederation I extend a warm welcome to all athletes, team staff, officials and volunteers to the Grassroots Trust Velodrome in Cambridge, New Zealand for the 2024 Oceania Track Championships. Over five exciting days from 14-18 February, a number of outstanding athletes in Elite, Para and U19 categories will be vying for Oceania Champion medals!

The Championships are open to National Teams that form part of the Oceania Nations – Australia, Cook Islands, Fiji, Guam, New Zealand, Samoa, Solomon Islands, and Vanuatu, UCI registered Teams, Australian State or Institute Teams, New Zealand Hub Teams and Individuals.

A major focus for elite cyclists is qualification for the 2024 Track World Championships and the 2024 Paris Olympic & Paralympic Games. The Oceania Track Championships represents an important stepping stone for selection into National Teams for these pinnacle events. With Oceania athletes achieving continued success on the world stage, I am confident that our riders will be in the mix when the World Championship and Olympic & Paralympic medals are decided. We wish them all career-best performances on the track, and indeed across all disciplines of our great sport.

The Oceania Cycling Confederation sincerely thanks event organisers Cycling New Zealand, their staff, support services and volunteers, major sponsors and supporting organisations for their vital support to ensure the continuation of world class cycling in the Oceania region.

To all athletes, I wish you all the best for what will be a most enthralling competition in the build up to the 2024 World Track Championships and the 2024 Paris Olympic & Paralympic Games.
