## Jersey with National Flag Sleeve

### Example of zone uses

Under the prior approval of the concerned National Federation and instead of wearing a traditional national champions jersey in the sense of the provision 1.3.068, the national champions in MTB DHI, MTB 4X, MTB Enduro and BMX have the possibility to wear a distinct national champion jersey with the left arm sleeve representing the flag of the rider's country.

No advertising is authorized on that left arm sleeve of the national champion jersey. Apart from the left arm sleeve and without prejudice to the provisions 1.3.026 to 1.3.044, the remaining spaces (e.g. front, back and right arm sleeve) are let at the disposal of the rider's/team's for their usual sponsors.
