Roll Call

Event and Venue Information

- **Event Website** www.cambridge3day.nz
- **Tech Guide**
 - This is available online and includes all key info you need
- **Health and Safety**
 - Everyone's responsibility
 - Ensure you keep yourself safe before assisting others
 - Report incidents and accidents to Events Director
 - Abide road rules on route to the venue
- **Venue**
 - Access from 8.00am each day
 - Access to the infield accredited persons only
 - Respect venue and tenants
 - Clean up after yourself
 - Fire alarm – exit building – meet in back carpark

Continued.....

- **Security**
 - Own responsibility
- **Infield Gym**
 - Out of bounds for all riders and officials
- **Medical Support**
 - Onsite provided by EMS – Based in the infield
 - Contacts for local medical centres in Tech Guide if needed
- **Accreditation bands**
 - Entry is through the main entrance only

Continued.....

- **Results**

- Displayed by communique during event
- Event Website post session
- U17 results – Omnium style but boys and girls racing together – presentation at end of final session separated into genders. This may be run as A & B grade

- **Live Streaming**

- All sessions will be live streamed through Cycling New Zealand Facebook page as best as we can

Racing Information

- **Rules and Regulations**

- Event will be run under UCI Regulations and CNZ RTX Technical Regulations
- We are racing under the current UCI rules and that any planned changes are not yet in force so equipment and situations need to comply with that in mind.

- **Programme**

- Online version is latest version. Updated version will be posted online and on the board tomorrow morning.

- **Queries**

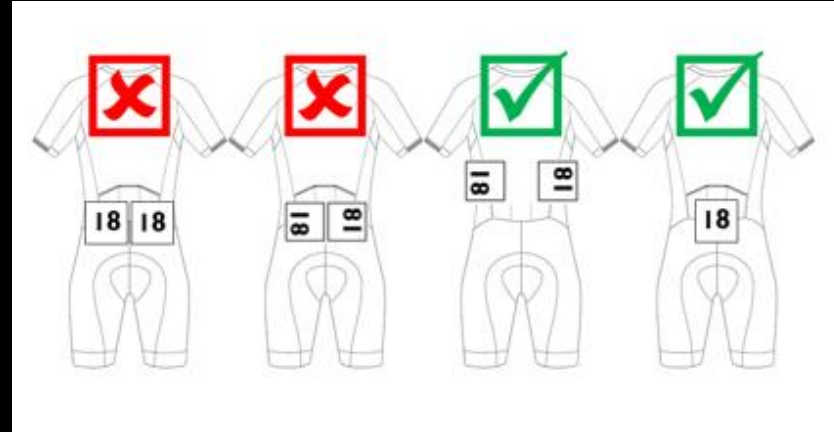

- Queries can be made to the Race Desk via the team manager

- **Changes**

- Any late changes in writing to Commissaire's Secretary. Change sheets on back of Tech Guide or collect from Race Desk.

Continued...

- **Madison pairings**
- **Race Number position**
 - Correct position (see pictures)
- **Race Kit – club kit for Omnium**
- **Track Access and Hours**
 - The infield is accessible from 8.00am each morning
 - Track open for warm up 1 hour before each session starts
 - Warm up is only for those riders competing in the upcoming session

Continued...

- **Track Flow**
- **Bike Check and Roll out Procedure**
- **Anti Doping**
 - May be present. Ensure you have Photo ID available at all times. Anti doping rooms are on Level 1, follow signs to access.
- **Medals Presentations**
 - Your own responsibility to get to podium
 - Race kit must be worn
 - Information in Tech Guide
- **Medical Procedure**

Continued...

- **U17 races:**

Double tempo

- Sprint every second lap, 1 pt awarded to the winner across the line
- 20 laps, 4 non-scoring, then sprint laps 16, 14, 12.... (i.e. bell 17, 15, 13...)

Snowball points

- 12 laps – each lap worth points increasing in value from 1 on the first lap to 12 on the final lap
 - Only the winner across the line is awarded points, apart from the final lap, where 2nd is awarded 2 pt and 3rd is awarded 1 pt.
- **Tie break procedure: highest position in final sprint**
