GUIDE

WELCOME

On behalf of the Cycling New Zealand Road and Track Council, I offer you all a warm welcome to the 2022 Elite Road National Championships, here in the Waikato.

After a year that has seen many challenges for travel, gatherings, economies, and holding sporting events, it will be exciting to have another opportunity to see New Zealand's top road cyclists racing for the coveted National Champion jersey on the scenic yet challenging roads around Cambridge.

Thanks to the event organisers, The Ride Festival for including this event in their festival. We also extend our thanks to the team of officials and our Commissaires, all of whom are volunteering their time to ensure the event happens. We are grateful for the support of the people here this weekend but also to the hundreds of volunteers who work tirelessly behind the scene at club events around the country. Volunteers are truly the backbone of cycling in this country.

We wish all the riders the best of luck and a safe and successful competition and to the spectators we hope you enjoy exciting racing.
