Elite National Championships 2022

ME&MU / WE&WU Road Race 13th February

NOTIFICATION OF POTENTIAL ADVERSE WEATHER AFFECT ON ROAD RACES.

The weather forecast for Sunday contains a strong wind warning. This may negatively affect the road races.

In accordance with the spirit of UCI regulations (Art. 2.2.029 bis) the organiser, CNZ Technical Delegate and President of the Commissaires Panel have discussed scenarios and actions to take if the course becomes unrideable in either the WE/WU or ME/MU race.

In the unlikely event that the race is stopped and cannot be restarted, the results will be declared on the position the riders passed the finish line on the previous lap.

Zachary Prendergast

President of the Commissaires Panel
