GUIDE

WELCOME

On behalf of the Cycling New Zealand RTX Council, I welcome you all to the 2023 Elite Road National Championships, here in the South Waikato.

After a year when we are all getting used to the new normal, it will be exciting to have another opportunity to see New Zealand's top road cyclists racing for the coveted National Champion jersey on the scenic yet challenging roads around Tokoroa.

Thanks to the event organisers, the team of volunteers, officials and our Commissaires, all of whom are volunteering their time to ensure the event happens. We are grateful for the support of the people here this weekend and also to the hundreds of volunteers who work tirelessly behind the scenes at club events around the country. Volunteers are truly the backbone of cycling in this country.

We wish all the riders the best of luck and a safe and successful competition and to the spectators we hope you enjoy exciting racing.

Please note that spaces in the convoy are limited and teams may be asked to share a vehicle. To be eligible for a Team vehicle in the convoy, there needs to be a minimum of 6 riders being supported. We encourage teams to combine, if required, to achieve the minimum

Team Vehicle/Drivers briefings: All team car drivers registered to drive in the convoy for the road race must be present for a drivers meeting at the Race HQ Marquee – on the field at the Events Centre, at the times below.

Every car must have a standard PRS/UHF Radio which is to be supplied by the Team/Club.** Where a team has radio communication with their rider, this will need to be on a separate radio so that the Race radio is open for official communication for the duration of the race.

Road Race – The President of the Commissaires Panel will determine which teams will be in the race convoy and preference will be given to those supporting multiple riders/teams. The team (or teams) name must be displayed in the car window. **Every car must have a flashing orange beacon, mounted on the left/passenger) side of the car roof (to be supplied by Team / Club). All people in the vehicle must hold a current Cycling New Zealand licence (Driver must also have a full NZ Drivers Licence).

Safe driving is essential when supporting riders. In particular, extreme care shall be exercised where there are gatherings of spectators and reduced speeds will apply when travelling through the start/finish area or feed zones. **Posted speed limits may not be exceeded under any circumstances.**

SPECTATORS

Parts of the race circuits are on narrow and some busy roads, so it is essential that spectator vehicle traffic is kept to an absolute minimum. If you do head to a viewing position on the circuit, ensure that you head out before racing commences and make sure your vehicles are parked well clear of the carriageway. Do not impend any business or residents in gaining access or departing their property. Be aware of the potential fire risk from hot exhausts on grass verges.

Details of spectator areas will be confirmed once the forestry permit is approved.

NATIONAL CHAMPIONS TITLE AND JERSEYS

All results are submitted to the UCI as separate races, with riders receiving UCI allocated points based on their race classification in each category.

There will be national jerseys awarded to the first placed U19, U23 and Elite rider in the Time Trial. Top 3 medals will be presented to both categories in each gender.

Road Race

As the Elite & U23 Road Race events are combined, results are submitted to the UCI as one race, with riders receiving UCI allocated points based on their race classification in each race.

There is only one NZ National Champion (men and women), the winner of the combined race.

If an Elite rider wins the combined race, they will be awarded the NZ National Champions jersey, and the first placed U23 is awarded a NZ U23 Champion Jersey, which they may only wear at U23-only events.

If an U23 rider wins the combined race, they will be awarded the NZ National Champions jersey. The first placed Elite rider does NOT receive a Jersey. Top 3 medals will be presented to both categories.

The first placed U19 rider in the male and female races will be awarded the national jersey.
