

# TRACK NATIONAL CHAMPIONSHIPS

15 March 2022

Communique C

## **Programme Information**

Due to small numbers of indicative pursuit and sprint team entries for Elite and U19 Men and Women we will be planning to hold straight timed finals in session 2 and 3, respectively.

Juniors (U15 and U17) will have their qualifying round in session 1, and finals in session 4.

The programme for Saturday has now been published accordingly
