
COVID LEVEL 2 - EVENT **BASICS** CHECKLIST FOR CLUBS:

- Define the need for bubbles and define bubble at close of entries (ask for volunteer bubble managers).
- Set site plan for bubbles needed, including carparking, entrances and staging
- Advise entrants about bubbles & which bubble they are in
- CLEAR signage on site about where bubbles park, sit/pit and stage.
- QR Code displayed in all areas & bubbles OR attendance register in each bubble entrance
- COVID-19 BUBBLE ID signs visible – PDF supply be BMXNZ. Print in colour.
- Hand Sanitizer readily available at bubbles & areas, wash station. Disposable masks available onsite. *Hint – give each person on site a cheap colour wrist band to identify which bubble they are from.
- Separate toilets for each bubble
- Plan Separation Fencing for staging lanes. Customized for number of bubbles
- Define Bubble Managers & supply Rego lists to sign off.
- Hold separate Bubble meetings prior to racing to refresh information of the day and rules that they will run by in their bubbles. Complete Rego.
- Strict just in time staging call up, no grouping. Slow it down so you don't miss people. Only one or two classes at staging at one time.
- NO stopping at finish line. Use of transponders for results or run as a participation event with no result.
- NO CLUB SHOP in L2 – coffee or food vendors can be arranged but situated just offsite, so they can manager this own separation & COVID regulations.
- NO PRIZES given out in L2 – pre-arrange how to give out
- NO INTERMINGERLING OF BUBBLES

Refer to BMXNZ COVID L2 EVENT PLAN to make sure all finer detail is covered
